Learn how Securian Financial’s online enrollment can help you

offer your executives a simple way to purchase life insurance. Contact your financial professional today.

Our Guaranteed Issue Program is based on the applicant meeting all the eligibility requirements, and does not guarantee that a policy will be issued.

Please keep in mind the primary reason to purchase life insurance is for the death benefit.

Life insurance products contain charges, such as Cost of Insurance Charge, Cash Extra Charge, and Additional Agreements Charge (which we refer to as mortality charges), and Premium Charge, Monthly Policy Charge, Policy Issue Charge, Transaction Charge, Index Segment Charge, and Surrender Charge (which we refer to as expense charges). These charges may increase over time, and these policies may contain restrictions, such as surrender periods. Policyholders could lose money in these products.

Insurance products are issued by Minnesota Life Insurance Company in all states except New York. In New York, products are issued by Securian Life Insurance Company, a New York authorized insurer. Minnesota Life is not an authorized New York insurer and does not do insurance business in New York. Both companies are headquartered in St. Paul, MN. Product availability and features may vary by state. Each insurer is solely responsible for the financial obligations under the policies or contracts it issues.

Securian Financial is the marketing name for Securian Financial Group, Inc., and its subsidiaries. Minnesota Life Insurance Company and Securian Life Insurance Company are subsidiaries of Securian Financial Group, Inc.
