You must complete the state-required training and satisfy all state requirements before selling Securian Financial's long-term care (LTC) products. To confirm you've already completed the training requirements in a specific state or to start the process to satisfy them, please follow the steps below:

1. Log onto clearcert.com to find information on training requirements and approved training course providers. If you've completed the requirements for your state(s), contact the training provider to obtain a copy of your completion certificate. Fax it to our Central Licensing Team.
2. Find and complete an approved course from the ClearCert® website.
3. Notify our Central Licensing Team that you've completed the course. Fax the completion certificate to our Central Licensing Team at 651-665-7256.
4. Your licensing representative will confirm you are approved to sell Securian Financial's LTC products.

Please note:

- You must satisfy all state requirements before selling Securian Financial's LTC products and you must provide a copy of the training certificate for the state(s) in which you plan to do business in.
- Certificates of completion may be included with initial appointment paperwork or submitted when to the Central Licensing Team by email or fax. Note: We cannot accept a completion certificate from any course that is not on ClearCert's accepted list.
