

Securian Financial Volunteer Plus Program

Recognizing associates who volunteer

Your time is a precious commodity. Yet, many associates give generously of themselves through volunteerism and, as a result, our community is a better place to live.

Beginning with the idea of helping others, volunteers often enhance their own skills in interpersonal effectiveness, organization and leadership.

Securian Financial's Volunteer Plus Program, funded by the Securian Financial Foundation, recognizes associates who volunteer their time and talents to eligible nonprofit organizations. Under the program, the Foundation will donate \$100 to eligible nonprofit organizations where associates volunteer 50 hours of unpaid time within a calendar year.

All benefits-eligible associates who have completed one year of service and benefits-eligible retirees may apply for one \$100 donation to one organization each year.

Donations are to benefit nonprofit organizations; donations are not for individual benefit such as dues, fees or admission to fundraising events. (Please note: Ineligible organizations include religious organizations, fraternal organizations and those organizations excluded due to state or federal law, including political organizations.)
